

Pre-Congress MMTN Workshops:
September 9, 2026
Main Congress:
September 10-12, 2026
Congress Venue:
Hilton Kuala Lumpur

1ST ANNOUNCEMENT

Fungal Infections in the Modern Era: Translating Research into Practice

Mark your calendars for
ISHAM Asia 2026, an international
forum bringing together leading
experts, clinicians, and researchers to
explore the latest breakthroughs in
medical mycology, from diagnostics to
clinical management.

www.ISHAM.Asia

Visit our website for the
latest information

PROGRAM HIGHLIGHTS

The comprehensive pre-congress workshop and 2.5-day main program will include:

- Hands-on lab workshop
- Plenaries
- Thematic symposia
- Meet-the-expert slots
- Debates
- Panel discussions
- Oral and poster presentation sessions

Don't miss out on these key sessions that will be discussed:

- Antifungal susceptibility testing in clinical practice
- The One Health approach to address antifungal drug resistance
- Stopping the spread of *Candida auris*
- Antifungal prophylaxis in the ICU: When is it indicated?
- Hospital-associated fungal outbreaks: Preparedness and response
- Updates on phaeohyphomycosis
- Fungal infections across continents: Perspectives from clinical practice

WORLD-CLASS FACULTY

A few of the renown experts in the field of medical mycology joining us in Kuala Lumpur:

**Reem
Almaghrabi**

King Faisal Specialist Hospital
and Research Centre

**Arunaloke
Chakrabarti**

Doodhadhari
Burfani Hospital

**Methee
Chayakulkeeree**

Mahidol University

Sharon Chen
NSW Health Pathology

Yee-Chun Chen
National Health
Research Institutes, Taiwan

Oliver Cornely
University of Cologne

Cornelia Lass-Flörl
Medical University of
Innsbruck

Jacques Meis
University of Cologne

Rita Oladele
University of Lagos

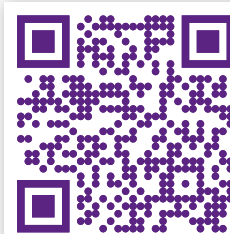

Liping Zhu
Huashan Hospital

WHO SHOULD ATTEND

ISHAM Asia 2026 is for all clinical and scientific professionals involved in the diagnosis and management of invasive fungal:

- Doctors, trainees and researchers in infectious disease, critical care, transplantation, hemato-oncology, dermatology and the spectrum of clinical specialties managing these infections
- Clinical and laboratory microbiologists
- Microbiology/mycology laboratory professionals
- Scientists and students undertaking research in related fields

REGISTRATION IS NOW OPEN!

REGISTRATION FEES	Early bird, USD (ends May 31, 2026)	Regular, USD (ends September 4, 2026)	Onsite, USD (from September 5 – 12, 2026)
Main Congress (September 10 – 12, 2026) Access			
ISHAM members	\$280	\$320	\$360
ISHAM members, <i>local</i>	\$240	\$280	\$320
Non-member ISHAM	\$330	\$370	\$410
Non-member ISHAM, <i>local</i>	\$290	\$330	\$370
Young ISHAM Members	\$170	\$210	\$250
Young ISHAM Members, <i>local</i>	\$130	\$170	\$210
Students / Trainees / Allied Health Professionals	\$200	\$240	\$280
Students / Trainees / Allied Health Professionals, <i>local</i>	\$160	\$200	\$240
Add-on: Pre-Congress Session (September 9, 2026)			
Pre-Congress MMTN Workshop (either laboratory or clinical session)	\$50	\$80	NA*

*Registration not available

** Local fees are applicable to those residing and practicing in Malaysia only.

*** Allied Health Professionals include pharmacists and nurses.

CALL FOR ABSTRACTS

We are currently accepting research in the fields of:

- Antifungal agents: includes pharmacokinetics, pharmacodynamics and therapeutic drug monitoring
- Antifungal susceptibility and resistance
- Management of fungal diseases
- Cutaneous/superficial and subcutaneous fungal infections
- Diagnostic mycology
- Epidemiology
- Ecology/Fundamental/Basic mycology
- Infection control, prevention and antifungal stewardship
- Pathogenesis and immunity

Visit the website for the full guidelines and submission portal.

Submission deadline:

30 April 2026

Accepted abstracts will be allocated presentation slots during the Congress.

INDUSTRY PARTICIPATION

A trade exhibition will be held alongside the Congress, enabling delegates to access the latest technologies, products and devices. Contact our Secretariat team now at IA26-secretariat@webershandwick.com to find out more about this and our other available packages.
